

Coming to our Census: The Importance of Census Data

IT'S IN OUR HANDS

Pamela Spicciati, Information Services Specialist with the Denver Regional Census Center will provide demographic data and social characteristics of women nationally and specifically in Colorado. Details about the critical importance of the decennial census will also be discussed.

WELCOME

AVAILABLE

FEW works as an advocacy group to improve the status of women employed by the Federal government. This includes contact with Congress to encourage progressive legislation. FEW national officers meet with management officials at all levels of agencies to demonstrate support of the FWP, encourage officials to support the program and to obtain insight on the effectiveness of the FWP at agency and local levels.

DFC MEMBERS

Chapter Elections for the 2010-2012 term of office will be held at this May meeting.

You must be present to cast your ballot and vote.
