## THE DENVER FEDERAL CENTER CHAPTER OF - FEDERALLY EMPLOYED WOMEN

Presents: Randy Ferguson

Randy's 25 year mission continues to be to assist people in awakening to the real potential of their lives. He has conducted thousands of interviews to discover exactly how to eliminate what holds people back from their greatness. From this passionate exploration he has developed a teaching technology that drives deep into people's motivations and literally transforms the very quality of their lives.

Randy's undergraduate degree is in Finance from Arizona State University and his Masters Degree in Spiritual Psychology is from the University of Santa Monica. He has taught high level leadership skills to CEOs, CFOs and their teams all over the world. These clients include companies like Ford Motor Company, Gerber, United Airlines, Novartis and the U.S. Government.
