**WEBINAR**

Wednesday, August 26, 2009

10:00am–11:00am

Building 25, DFC 2nd Floor Conference Room D-#2868

Presenter: Molly Murphy MacGregor, Executive Director  
and Cofounder of the National Women's History Project

Legendary suffragist Susan B. Anthony challenged women in the early 20<sup>th</sup> century to "become invincible" and convince the Federal government to pass the 19<sup>th</sup> Amendment. This 20-minute illustrated presentation explores some of the strategic choices suffragists made, together, to achieve success – and the enfranchisement of half the U.S. citizenry. A discussion about the effect of these strategies on today's American women as well as a brief discussion of the 2010 theme "Writing Women Back into History", will follow.
